### ECO-FRIENDLY

Our product is made from reclaimed waxed paper destined for landfills. Zero waste operation using high quality wax paper waste.

### WEATHERPROOF

The Starter King is made with high quality wax, providing a weather proof barrier that repels and keeps water out.

### APPROVED MATERIALS

The Starter King contains 100% FDA approved materials. The paper products used are Antimicrobial. The Paraffin wax contains less than .5% of 1% oil. These key materials make the product odorless and clean burning.
